Unisar Inc., 15 West 36th Street
New York, NY 10018

Consumer: This coupon may not be reproduced. Expires 12/31/08
(Cash value 1/10th of a cent.) YYF2007

Why does your baby need our Movement Sensor?

Because our Sensor Pad can
alert you if something goes
wrong in the crib.

Angelcare® Movement Sensor with Sound Monitor

Do not rely solely on a baby monitor or movement sensor to protect your child. Follow sleeping advice from your medical professional. ©2007 Listro Associates.
